Attached for your review is the latest revision to E.O. 12065, received from OMB for comment. Also attached are the comments the Agency submitted on the last previous draft, marked to indicate which were included in the current draft. A significant change in this draft is the omission of "information relating to" from "intelligence sources and methods" as a presumption of damage in Section 1.3(c).

Please telephone any comments to [ ] on extension [ ]
